2023-2024: Newsletter 16
Wednesday 1st May

Dear Parents and Carers,

Last Wednesday I had the privilege of driving over to Keighley in West Yorkshire to spend the second half of the week with Year 6 on their 'High Adventure' residential. The children had a fantastic time, taking part in a wide range of outdoor and adventurous activities such as caving, climbing, abseiling, archery, canoeing and more. Just as important, they had a week of having to be fairly self-sufficient; making their own beds up, making their own sandwiches, and that most difficult of tasks; keeping the dormitory tidy. It was a pleasure to spend time with the children, who did a tremendous job of looking after themselves and looking after each other. The children had to step out of their comfort zones and challenge themselves in order to succeed. They made everyone, including the High Adventure instructors, extremely proud with their attitudes and efforts. I also hope they have some lovely memories of the week too. Well done children, and thank you for your positivity. My thanks go to Mrs Henderson, Mrs Thompson and Mr Cockburn for giving up their time to allow the children to have this wonderful experience. Thank you!

Best wishes,
S England

Dear Parents/Carers

Keep in touch with your Scarborough Neighbourhood Policing Team – through Community Messenger

We are Police Community Support Officers Donna and Karen and we work primarily in Scarborough Town Centre and the Castle Ward.

We are writing to you today to invite you to join North Yorkshire Community Messenger which is free email messaging service providing you with news and updates on policing matters which are relevant to you and your local Community.

Sign up and receive email alerts about policing activity and initiatives in your local area as well as crime prevention advice and information. You will also have the opportunity to reply directly to your neighbourhood team and provide feedback.

We will be able to share information of our pop-up surgeries and multi-agency visits in the community which will allow you to come and speak to us and talk about what we are doing in your community and how we can work together to make it safer and improve your quality of life.

We are asking all residents and businesses within our communities in Scarborough to sign up to Community Messenger. This will allow us to create a more representative list of our community members and undertake more preventative and responsive policing. We want to be in the right place at the right time and support the right people when they need us most.

You can sign up at www.northyorkshire.police.uk/NYCM This is a free service, and the information comes to your email only.
